ADPICS OPEN REQUISITION REPORT (PCHR0210) AND OPEN PURCHASE ORDER REPORT (PCHR0212)

The following software modification will be in production on Thursday, November 16, 2006:

The number of pages displayed on the PCHR0210 and PCHR0212 reports will be reduced. Previously, these reports were displaying blank pages for each ADPICS department when there were no open requisitions or purchase orders for that department. These reports were modified to only display pages for departments that have open documents.
